

## FILMING SCHOOL PLAYS

---

**Up to £150 paid to your school for using Moving Memories Video Productions to record and produce a Professional DVD of your school Christmas or end of term production and distributing it to your pupils' parents.**

I am an independent Video Producer working throughout Essex, Suffolk and the Home Counties.

One of the topics in which I specialise is the filming of Christmas/End of Term productions (from Pre-School through to High School) etc for local schools.

Indeed I have been involved with many schools since 1999 (please see below for references). I would be pleased to send you a sample of my work on DVD should you so desire. I am vetted by the CRB and possess a full Certificate of Enhanced Disclosure. At Moving Memories, we film your school production at no charge. All we ask is that you allow us to offer the DVDs for sale to your pupils' parents (at £15.00 each). For every one we sell, we will give £1 back to your school. Your school will also receive a complimentary DVD of the production. Parents will normally order up to 150 per production. Photographic stills are also available – please call me to find out more.

Quality is important. The production is filmed on Broadcast Standard HD digital cameras and edited using digital editing equipment to produce a master DVD copy. The DVDs are then duplicated and printed onto professional-grade DVD discs and packaged in a hi-grade DVD case with a full-colour sleeve containing still captures from the production.

I am a qualified member (with a distinction) of the Association of Professional Videomakers and a Master Member of the Institute of Videography. I take pride in the work I do for schools and I genuinely believe you'll be very impressed by the work I do for you.

Please give me a call on 01206 842607 and I can send you out a DVD of my previous work.

Alternatively, if you'd like to find out more, please get in touch and I'll answer any questions you have.
